Fund Bank Balances

The City of Kingsville manages a large share of its funds through the use of a pooled cash accounting system. The pooled cash bank accounts are recorded in the General Ledger Fund 700. This pooled cash system is made up of several different bank accounts and includes the following bank accounts:

- CMA Checking – Kleberg Bank
- CMA M&O Taxes Money Market – Kleberg Bank
- CMA Savings Money Market – Kleberg Bank
- Cash Bond Account – Bank of South Texas
- CMA Savings #8 – Texas Class
- CMA M&O Taxes #15 – Texas Class

All funds own a piece of the pooled cash system based on revenues and expenditures associated with each fund. The piece or amount of the pooled cash system that is owned by each fund is indicated by the amount that is recorded in the account Claim on Cash. As the account name suggests it represents the fund's claim on the pooled cash bank accounts.

The City has other bank accounts at Kleberg Bank for those accounts that are specific in operations and have requirements to keep funding separate. Also at Kleberg Bank, are several money market accounts specific to certain funds that were created for better interest earnings offered by Kleberg Bank which is currently 1%.

There are only three bank accounts that issue actual checks, and these include the following bank accounts:

- Accounts Payable – Kleberg Bank
- Payroll – Kleberg Bank
- Cash Bond Account – Bank of South Texas

The Accounts Payable and Payroll bank accounts are sweep bank accounts which means, as checks are written, the CMA bank account reimburses the Accounts Payable and Payroll bank accounts resulting in a daily zero balance. The Cash Bond account is used for Municipal Court defendant transactions.

Bank Accounts at Texas Class are either part of the pooled cash system or specific to a fund. Funds are kept at Texas Class due to the interest rates the City is receiving.
